Celebrating
50
years
1967 - 2017

Organised by
P. G. Department of Chemistry
Utkal University, Bhubaneswar, India

ABOUT UTKAL UNIVERSITY

Established in 1943, Utkal University, Bhubaneswar is the 17th oldest University of India and the Mother University of the state of Odisha. It caters to the learning needs of about 1.5 crore people belonging to nine districts of the state. It is a teaching, research-cum-affiliating university offering 27 full-fledged regular Post-Graduate Departments and 17 Self-Financing programmes within the campus and has 371 affiliated colleges covering faculties of Humanities and the Social Sciences, Science & Technology, Commerce and Management, Pedagogical Science (Education), Medicine including Ayurveda, Homeopathy and also Law.

ABOUT DEPARTMENT OF CHEMISTRY

The P.G. Department of Chemistry, established in the year 1967, has been imparting teaching and training in emerging fields of Chemistry and Chemical sciences through regular M.Sc., M.Phil. and Ph.D. programmes. During last 50 years, the department has produced a large number of quality human resources in Chemical sciences who occupied important academic/research and industrial positions in India and abroad. The department has been well recognized at national level and received funds through UGC (Under DRS, DSA-I, DSA-II) and DST (FIST and PURSE) programmes besides sponsored projects from various funding agencies. Currently with ten well qualified faculty members, the department is actively pursuing research in several frontier areas of chemical sciences.

ABOUT BHUBANESWAR

Bhubaneswar is the capital of the state Odisha. The city has a history of over 3,000 years starting with the Mahamegha-bahana Chedi dynasty (around the 2nd century BC) which had its capital at Sisupalgarh, nearby. It is the largest city in Odisha and is a centre of economic and religious importance in Eastern India. Bhubaneswar is often referred to as a 'Temple City of India' and with Puri and Konark, it forms the Swarna Tribhuja ("Golden Triangle"), one of eastern India's most visited destinations. It is being transformed into a knowledge city and educational hub due to setting up of several leading research and academic institutes like CSIR-IMMT, IIT, NISER, IOP, IOL, AIIMS, CIPET, KITT, SOA besides several other Central and State Government Institutes.

ABOUT THE CONFERENCE

Materials Chemistry holds the keys to provide new materials with specific functions and new processes to meet the ever changing need of society in various sectors. The International conference **RAMC 2017** aims to provide a forum for eminent academicians, scientists, technologists and young researchers to exchange and share their experiences and research results on the latest developments on materials chemistry. Eminent persons in the respective fields share their experiences and knowledge with the participants, which in turn are expected to promote research activities in these areas. It will also provide the platform for investment and collaborations between Academia, R & D sectors and Industries. It is expected that the august gathering will deliberate on future direction of research in materials chemistry to find solutions of some upcoming challenges.

SCOPE OF THE CONFERENCE

This conference will cover following areas but not limited to

Functional materials/compounds	Environmental and green chemistry
Nanomaterials and applications	Organometallics
Catalysts and catalytic processes	Nuclear materials
Polymer and composite materials	Computational chemistry
Biomaterials/Metallo drugs	Separation processes
Coordination Chemistry and applications	Energy materials

INVITED SPEAKER (Confirmed)

Prof. C. W. Bielawski, IBS & UNIST, S. Korea
Prof. Miguel Angel Yus Astiz, Universidad de Alicante, Spain
Prof. Armando J.L. Pombeiro, IST, Portugal
Prof. Carmen Najera, Universidad de Alicante, Spain
Prof. Stephane Bellemin -Loponnaz, IPCMS, Strasbourg, France
Dr. Padmanav Pradhan, The City University of New York, USA
Prof. A. Mohanty, University of Guelph, Canada
Prof. A. Das, Medical University of South Carolina, USA
Prof. T. Pal, IIT- Kharagpur
Prof. J. K. Bera, IIT-Kanpur
Prof. N. Pradhan, IACS, Kolkata
Prof. Ramesh C. Deka and Prof. Ajanta Deka, Tezpur University, India
Prof. B. Satpathy, IIT-Delhi
Prof. P.S. Mukherejee, IISc, Bangalore
Prof. Sundargopal Ghosh, IIT-Madras
Dr. S. Kannan, Dr. J. Mohanty, Dr. R. Mishra, BARC, Mumbai

Call for Papers

Original research papers on the above-mentioned topics are invited for oral/poster presentations. Submit the abstracts (within 250 words including references) at ramc.uu2017@gmail.com in .doc or .pdf format. Accepted abstracts will be published in the Abstract book. Selected papers (maximum 4-pages) after review will be published in reputed journal with ISBN number.

REGISTRATION FEES All the outstation delegates pay by Demand Draft drawn in favour of RAMC 2017 or by online bank transfer through RTGS/NEFT in favour of RAMC 2017, State. Bank of India, Utkal University Campus, Vani Vihar, Bhubaneswar 751004.
