Dear Sir/ Madam,

**"Plant Science Research"** (formerly "*Journal of Orissa Botanical Society*"), the official journal of the Orissa Botanical Society, is a peer-reviewed scientific journal publishing research articles in the field of botany, biodiversity, plant biotechnology and other aspects of plant sciences. The journal publishes original articles, reviews and brief communications detailing significant research contributions to plant science. Since its launch in 1980, the Journal is being published regularly with articles contributed by eminent scientists and researchers from different parts of the country and till the year 2016, 38 volumes of "**Plant Science Research**" have been brought out.

I am glad to inform you that "*Plant Science Research*" has scored a **NAAS rating (Scientific journals) of 3.63** in the year 2016 and this is largely because of its scientific contents and timely and regular publication for last 38 years. Besides, attempts are being made for on-line publication of vol. 39 with search engine optimization for better access to the articles by research workers.

The Vol. 39 (Nos. 1 & 2) of "**Plant Science Research**" is due for publication in December, 2017. On behalf of the Chief Editor and Editorial Board, I invite you to submit a manuscript conforming to the broad subject areas and as per the manner and style of the journal outlined in the enclosed "**Instruction to contributors**". A copy of the manuscript may be sent to me by email ([pcpanda2001@yahoo.co.in](mailto:pcpanda2001@yahoo.co.in)) on or before **10<sup>th</sup> December, 2017** for processing at this end. Manuscripts received after the due date shall not be considered for publication in the journal. You are requested to go through the "**Instruction to contributors**" attached herewith before submitting the manuscript for publication.
